EMERGING REAL ESTATE MARKET INTELLIGENCE

Welcome to the sixth in a series of special reports produced exclusively by Cityscape Intelligence, which provide an in-depth look at the current state of business to business real estate in the emerging markets. Focus On Abu Dhabi breaks down key trends and statistics on Foreign Direct Investment (FDI) from the Financial Times and provides a comprehensive analysis of the value and status of projects currently being undertaken in Abu Dhabi, provided by Proleads.

The report also examines changes in the regulatory environment in Abu Dhabi as well as the outlook for the logistics market and how this will enable trade in the Emirate to prosper. Key, accurate, intelligence is more important than ever during these times of global financial uncertainty and our report aims to provide you with insight, intelligence and food for thought. We trust that you find it informative and enlightening and we look forward to hearing your comments
